

THE FESTIVE SEASON

AT RAFFLES LONDON AT THE OWO

THE *art* OF CHRISTMAS, BY RAFFLES AND CHRISTOFLE

This festive season, Raffles London at The OWO joins forces with legendary French silversmith Christofle to bring an added touch of magic and artistry to Christmas. For almost two centuries, Christofle has adorned some of the world's most beautiful tables, hotels and palaces, making this meeting of two maisons a natural celebration of exceptional craftsmanship, gracious hospitality and the rituals of the festive season.

For 2026, Christofle's festive theme, Under the Tree, comes to life throughout Raffles London at The OWO. Two majestic Christmas trees will be dressed with Christofle's new collection of ornaments, celebrating the magic and iconic symbols of Christmas and creating a festive experience imagined especially for this historic London setting. From the spectacular decorations to a specially created festive welcome served upon gleaming Christofle silver, the collaboration unfolds from the moment guests arrive.
