A TROPICAL REIMAGINING OF MID-AUTUMN INDULGENCE

WITH RAFFLES SENTOSA SINGAPORE

This Mid-Autumn Festival, Raffles Sentosa Singapore invites you to celebrate the joy of togetherness with the debut of its inaugural mooncake collection, an exquisite expression of craftsmanship, heritage, and island-inspired sophistication.

Thoughtfully curated for the art of gifting, the collection showcases a harmonious blend of tradition and innovation, featuring six elegant creations handcrafted by Executive Chinese Chef Ling Heng Yao.

Highlights include the signature Raffles Sentosa Sling Snow Skin Mooncake, a delicate tribute to the resort's iconic cocktail, and the refined Long Jing Tea with Lemon Peel Baked Mooncake, infused with citrus harvested from the resort's own gardens.

From time-honoured flavours to inventive delights, this debut collection captures the spirit of Mid-Autumn with elegance and island charm – a celebration of moments shared, memories made, and the timeless beauty of tradition reimagined.
