DID YOU KNOW?

A WORK OF LOVE

Every year, our chefs spend over 48 hours assembling a magnificent life size gingerbread house at Raffles Patisserie, crafted from 2,500 gingerbread tiles and 200kg of confectioners' sugar. Adorned with intricate royal icing motifs designed by Executive Pastry Chef Samith James, this edible masterpiece captures the true spirit and sweetness of the season.

TRADITIONS AGLOW

Rooted in centuries-old tradition, Christmas Trees once symbolised life and resilience during harsh winters. Towering proudly above the grand fountain at over 10 metres, and the lobby at over 7 metres, our trees carry that heritage forward, adorned with elegant ornaments that brighten the palace and infuse the season with joy, wonder, and festive magic for our guests.

ASKY OF PROMISE

Fireworks have illuminated celebrations for centuries, marking fresh starts and warding off misfortune. From the gilded palace, the view of Dubai's skyline bursting in colour is simply breathtaking. The palace itself comes alive under the stars, radiating magic and wonder amidst the beauty of twinkling lights and the enchanting city glow.

Welcome to Whispers of Wellness, a curated guide for wellbeing where every whisper leads you closer to balance. From therapist-recommended rituals to nourishing tips and skincare secrets, this is your space to reconnect at the hotel or wherever life takes you. Each ritual is a gentle invitation to pause, breathe, and carry a piece of calm with you.

BREATHE IN THE SEASON

The festive season awakens the senses, and scent is often the most soothing companion. As you walk through the palace, let the warm aromas guide you, from the sweet notes of the giant gingerbread house adorning the Raffles patisserie to the gentle hints of spice and citrus that float through the air.

These fragrances are part of the enchantment of December; carry the magic back home with you with this simple, natural blend:

- Simmer orange zest, whole cloves, and cinnamon sticks in a pot of water.
- Add a touch of vanilla for warmth and fresh rosemary for a hint of winter greenery.
- Let it gently bubble to fill your home with a cosy, festive aroma, reminiscent of the palace.

QUIETLY YOURS

Beauty is not only in what you see, it is in how a place makes you feel. Amid the grandeur, there are pockets of tranquillity waiting to be found. Within the spa's soothing glow or beside the indoor pool's serene expanse, you will find spaces designed to quiet the mind. Let these moments of stillness guide you back to your breath and into a quieter rhythm.

A SLOW INDULGENCE

After a refreshing spa experience or a quiet pause in your day, take a moment to simply be. Set aside the rush, settle into stillness, and savour a refined afternoon tea inspired by Europe's grand palaces. Let each flavour, aroma, and delicate detail become an invitation to reconnect with yourself, with the moment, and with the quiet pleasures that make the season meaningful.
