THREADS OF ROYALTY

Adorning our lobby is a stunning handmade silk carpet, a true masterpiece crafted by the esteemed Italian design house Loloey. Designed to mirror the carpet in the Versailles Palace's chambers of Victoire Marie-Louise-Thérèse de France, this exquisite piece infuses the space with an air of refined elegance.

BLÜTHNER BEAUTY

The chandelier in Blüthner Hall, crafted by the Baby Group, the official furnisher of the Opera Di Milano and Di Venice, features intricate Murano Glass roses. Renowned for their superior quality, vibrant hues, and masterful artistry, these roses add a touch of elegance to the hall.

APRIL IN BLOOM

April takes its name from the Latin word "aperire", meaning "to open", evoking the gentle blooming of flowers and trees. Across centuries, poets and travellers have described it as a time of awakening for the world. A sentiment echoed throughout the palace gardens, where each path reveals a new moment of quiet beauty.

THE OMOROVICZA HYDRAFACIAL

Designed to renew rather than simply refresh, this ritual pairs the precision of HydraFacial with the restorative power of Omorovicza's Healing Concentrate™. The skin is deeply cleansed, refined, and replenished with hydration before a sculpting Hungarian massage gently lifts and awakens its natural radiance. The result is a complexion that appears clearer, firmer, and more luminous.

RITUAL OF THE MONTH

THE GOLD RITUAL

For centuries, gold has symbolised vitality, radiance, and renewal in wellness traditions around the world. At Raffles Spa, this timeless element is reflected in subtle golden accents, infusing the ambience with warmth and luminosity. Drawing upon these renowned restorative properties, the Gold Ritual is enriched with Colloidal Gold to rejuvenate, nourish, and strengthen the skin barrier. The journey begins with a signature Gold Hydralifting facial and continues with a pampering gold body treatment that envelops the skin in warmth and indulgent care. The result is a complexion and body that feel strengthened, luminous, and beautifully restored.

SENSORY MASSAGE EXPERIENCE

A fully personalised full-body massage is guided not by routine, but by instinct. Before the ritual begins, guests are invited to choose from a selection of Lola's Apothecary scents, allowing fragrance to stir memory, evoke emotion, and instinctively reveal what the body seeks most. The chosen essence then weaves through every movement as tension softly melts away and balance is restored, leaving body and spirit in a state of serene harmony.
