DID YOU KNOW?

THERMAL POWERS

Thermal minerals have been celebrated for centuries for their restorative powers. Raffles Spa, the jewel beneath the palace, channels this natural energy through treatments enhanced with Omorovicza’s mineral-rich formulations, bringing the heritage of Hungarian traditions to the heart of Dubai.

BEYOND THE HUES

Every hue tells a story and the palatial suites at Raffles The Palm are steeped in meaning. Turquoise décor to inspire balance and clarity, touches of red to spark courage and vitality, and gold finishes to signify abundance and success, creating a space where every stay feels intentional and uplifting.

TEA FOR TWO

“New Year, New Me” starts with small, restorative rituals. At the palace, we honour the centuries-old healing powers of tea. In collaboration with The Tea Group, our curated tea collection at Blüthner Hall turns every cup into a moment of mindful indulgence.

MINERAL HERITAGE

Rooted in the ancient healing waters of Budapest, Omorovicza transforms centuries of bathing tradition into modern luxury skincare. At the spa, these mineral-rich formulations are seamlessly paired with time-honoured Hungarian massage techniques, allowing the skin to fully absorb their restorative benefits. Each ritual unfolds as a sensorial journey, where heritage and science meet indulgence, revealing skin that feels hydrated, firm, and beautifully revitalised.

WRAPPED IN GOLD

The experience opens with the grounding touch of Hungarian Moor Mud, gently cleansing and renewing the skin. A rose-scented gold mask is applied, providing hydration, while a traditional Hungarian massage lifts and firms the skin. A final veil of Gold Shimmer Oil across the arms and décolleté leaves the skin softly radiant, a quiet indulgence that lingers beyond the moment.

THE BLUE DIAMOND FACIAL

Created to awaken tired skin and restore its natural vitality, the journey unfolds through precision and touch. A gentle resurfacing peel refines the complexion, while the Blue Diamond Super Serum revives energy and supports skin longevity. Sculpting techniques, from Hungarian massage to cooling dermaglobes and Gua Sha, lift and smooth, leaving the skin refreshed, resilient, and beautifully renewed.

THE QUEEN SOOTHING FACIAL

For skin that feels sensitive, dry, or easily unsettled, this treatment offers a moment of quiet reassurance. A gentle facial massage encourages renewal while softly lifting and firming, as Omorovicza's Queen Oil restores comfort and natural fullness. Calming botanicals such as calendula, linseed, and borage oils ease reactivity and soothe the senses, leaving the skin feeling rested, protected, and serenely balanced.

WHISPERS OF WELLNESS

Welcome to Whispers of Wellness, a curated guide for wellbeing where every whisper leads you closer to balance. From therapist-recommended rituals to nourishing tips and skincare secrets, this is your space to reconnect at the hotel or wherever life takes you. Each ritual is a gentle invitation to pause, breathe, and carry a piece of calm with you.

GROUNDING MOMENTS

January is a time to embrace intention, a reminder that in a fast-moving world, time is our most precious gift. Even a few mindful moments can bring presence, connection and calm. Wherever the day leads you, start by grounding yourself with a simple ritual:

- Take three slow, deep breaths to centre yourself.
- Choose one word or phrase that captures how you want your day to unfold.
- Write it down to anchor your focus.
- Sip a cup of tea to connect body and mind.
- Revisit your intention throughout the day for clarity or calm.

ZEN GLAMOUR

Some spaces are created to be felt rather than noticed. Within the spa’s gentle ambience and the quiet expanse of the indoor pool, the palace reveals an atmosphere of calm that encourages reflection and ease. These moments invite you to step away from the pace of the day, allowing time to soften and balance to return, one breath at a time.

EVERYDAY ELEGANCE

Thoughtfully curated, our shop brings together a selection of distinctive pieces for men, women, and children. From clothing and slippers to bags and carefully chosen accessories, each item reflects a balance of comfort, style, and craftsmanship.

THE POWER OF LAVENDER

Known for its calming aroma, lavender helps ease stress, promote relaxation, and support restful sleep. This month, take a moment to slow down by incorporating lavender into your routine, whether through a soothing scent, a warm shower, or a few mindful breaths to restore balance and calm.

A regal scroll illustrated with sketches of iconic European palaces and their signature pastries accompanies you, setting the tone for an immersive voyage through history and flavour.

Your journey begins with a quintessential British ritual inspired by Buckingham Palace, where you savour delicate cucumber sandwiches and the classic Victoria Sponge Cake, a beloved favourite of Queen Victoria. From there, you travel to the opulence of the Palace of Versailles, where flavours inspired by Marie Antoinette’s lavish lifestyle come to life through an elegant Orange Blossom Macaron.

The story continues at Vienna’s Schönbrunn Palace with the iconic Sacher Torte, where rich chocolate layers meet apricot jam, before moving to the warmth of Belgium’s Royal Palace through a modern take on Speculoos Cake. The journey continues with the honey-soaked Medovnik Cake, honouring the Czech Republic’s regal traditions, and concludes with the Kyiv Cake, inspired by Ukraine’s Mariyinski Palace, combining delicate sponge and meringue layers.
