## DID YOU KNOW?

### GUIDED BY THE CRESCENT

Ramadan does not end on a date, but with the sighting of a slender crescent moon, a quiet signal of renewal and celebration. For centuries, this gentle ritual has marked the shift from reflection to togetherness. At the palace, beneath the same evening sky, our Iftar and Suhoor gatherings are shaped by that spirit of anticipation, gratitude, and shared moments as we await the crescent's return.

### A LEGACY OF LOVE

Celebrated on March 21 alongside the first day of spring, UAE Mother's Day was first proposed in the 1950s by journalist Mostafa Amin to honour the quiet devotion of mothers across the Arab world. Over time, it has become a day defined by heartfelt gestures and sincere gratitude. At our palace, it is an invitation to gift what matters most, time; through moments of stillness and renewal, where care is returned with care.

### KEYS TO EXCELLENCE

The golden crossed keys worn by our Chief Concierge, Stephen Simiyu, are more than a symbol, they signify his membership in Les Clefs d'Or, the world's most prestigious concierge network, where he proudly serves as Vice President for the UAE. Through his global connections and refined expertise, Stephen and his team transform every guest request into a seamlessly executed experience.

## A MOMENT FOR HER

Thoughtfully created to honour women and the care they so effortlessly give, this personalised retreat is an invitation to slow down. Two 30-minute treatments come together as one hour of indulgence, allowing you to choose what your body needs most, from a soothing back massage to a revitalising facial, and to shape an experience that feels entirely your own.

60 minutes  
AED 650 per person

### THE GOLD HYDRALIFTING FACIAL

The ritual begins with the purifying touch of Hungarian Moor Mud, gently cleansing and renewing the skin. A rose-infused gold mask follows, deeply hydrating and restoring luminous radiance. Traditional Hungarian massage techniques lift and firm with expert precision, before a final veil of Gold Shimmer Oil leaves the skin softly illuminated with a refined glow.

60 minutes  
AED 700 per person

### THE OMOROVICZA HYDRAFACIAL

Designed to renew rather than simply refresh, this ritual pairs the precision of HydraFacial with the restorative power of Omorovicza's Healing Concentrate™. The skin is deeply cleansed, refined, and replenished with hydration before a sculpting Hungarian massage gently lifts and awakens its natural radiance. The result is a complexion that appears clearer, firmer, and more luminous.

90 minutes  
AED 1000 per person

### EID DIAMOND LIFT RITUAL

A moment of visible transformation, designed to restore both skin and spirit. This advanced facial ritual combines expert touch with high-performance skincare to lift, smooth, and reawaken the complexion. Gentle resurfacing, sculpting massage techniques, and cooling therapies work in harmony to reveal renewed radiance. A take-home gift extends the experience beyond the treatment room, allowing the ritual to continue long after your visit.

90 minutes  
AED 1000 per person

## RITUAL OF THE MONTH

### THE GOLD RITUAL

For centuries, gold has symbolised vitality, radiance, and renewal in wellness traditions around the world. At Raffles Spa, this timeless element is reflected in subtle golden accents, infusing the ambience with warmth and luminosity. Drawing upon these renowned restorative properties, the Gold Ritual is enriched with Colloidal Gold to rejuvenate, nourish, and strengthen the skin barrier. The journey begins with a signature Gold Hydralifting facial and continues with a pampering gold body treatment that envelops the skin in warmth and indulgent care. The result is a complexion and body that feel strengthened, luminous, and beautifully restored.

120 minutes  
AED 1200 per person

## SENSORY MASSAGE EXPERIENCE

A fully personalised full-body massage is guided not by routine, but by instinct. Before the ritual begins, guests are invited to select from a selection of Lola's Apothecary scents, allowing fragrance to stir memory, evoke emotion, and instinctively reveal what the body seeks most. The chosen essence then weaves through every movement as tension softly melts away and balance is restored, leaving body and spirit in a state of serene harmony.

## POSTCARDS FROM THE WORLD

Dear Traveller,

Some places are discovered. Others are felt.

Set across 23 hectares of preserved landscape, where jungle meets the open horizon and much of the land remains untouched, Raffles Bali moves at a gentler rhythm. Mornings unfold along pathways edged with flowering trees, aromatic herbs, and fruit-bearing palms.

Days may lead you inward. A blessing at the temple, sound healing within a naturally formed cave, or a moment of stillness guided by Balinese hands, each ritual designed not to impress, but to restore. Here, wellbeing is not an offering, but a way of being.

As evening settles, the island takes on a different rhythm. Flames rise gently at The Farm Terrace, the shoreline glows softly at Loloan Beach Bar and Grill, and within the limestone stillness of The Secret Cave, dinner becomes something extraordinary. Here, dining is shaped as much by setting as by flavour.

And when the day draws to a close, your private villa awaits, serene, framed by garden or sea. A sanctuary of space and privacy where the quiet intuition of the Raffles Butlers turns every moment into an enchanting memory.

Until our paths cross.
