# RITUAL OF THE MONTH

## THE GOLD RITUAL

For centuries, gold has symbolised vitality, radiance, and renewal in wellness traditions around the world. At Raffles Spa, this timeless element is reflected in subtle golden accents, infusing the ambience with warmth and luminosity. Drawing upon these renowned restorative properties, the Gold Ritual is enriched with Colloidal Gold to rejuvenate, nourish, and strengthen the skin barrier. The journey begins with a signature Gold Hydralifting facial and continues with a pampering gold body treatment that envelops the skin in warmth and indulgent care. The result is a complexion and body that feel strengthened, luminous, and beautifully restored.

## SENSORY MASSAGE EXPERIENCE

A fully personalised full-body massage is guided not by routine, but by instinct. Before the ritual begins, guests are invited to choose from a selection of Lola's Apothecary scents, allowing fragrance to stir memory, evoke emotion, and instinctively reveal what the body seeks most. The chosen essence then weaves through every movement as tension softly melts away and balance is restored, leaving body and spirit in a state of serene harmony.
