OCTOBER'S GENTLE RESET

This October, honour breast cancer awareness with a moment of stillness and self-care. Let wellness guide you from within, a gentle pause to nurture your mind, body, and spirit. Create a calm ritual with this grounding breath practice to welcome calm into your day and melt away tension:

- Sit comfortably with your back straight and shoulders relaxed.
- Close your eyes and inhale slowly for a count of four.
- Hold your breath gently for a count of four.
- Exhale for a count of six, releasing any stress.
- Repeat for five cycles, letting your mind settle into the rhythm.

MOMENTS MADE FOR YOU

Stillness is a luxury, and it begins the moment your treatment ends. The Relaxation Room invites you to slow down, sip soothing herbal tea, and let time stretch softly around you. Gentle lighting, plush loungers, and a serene ambience transform a simple pause into a quiet ritual, a celebration of calm for mind, body, and spirit.

SERENITY IN MOTION

Wellness does not end in the spa, it flows into every corner of your day. Begin with a morning swim in our temperature-controlled pool or a barefoot stroll along the shore, letting the rhythm of the waves set the pace for calm. Sunlight, fresh air, and the gentle sound of the sea are natural healers, turning a simple dip or walk into a ritual of renewal.

RITUAL OF THE MONTH

GRAND IMPERIAL YOUTHFULNESS RITUAL

Inspired by time-honoured Japanese beauty traditions, this ritual is a journey to timeless radiance. The experience begins in the calming embrace of the aroma and colours Hammam, where gentle heat and aromatic essences awaken the senses and prepare the body for renewal. A soothing back massage follows, melting away tension and restoring a deep sense of balance.

The journey culminates with a 60-minute KO BI DO facial, renowned for its ability to lift, rejuvenate, and restore youthful vitality to the face, neck, and décolleté. The result is a complexion that glows with youthful vitality, and a spirit left serene, centred, and beautifully renewed.
